NEW YORK, NY

World Projects Corporation is proud to present

The 7th Annual
NEW YORK "SOUNDS OF SUMMER" FESTIVAL
CARNEGIE HALL

June 6 – 10, 2020 (TBC)

Dear Director:

Thank you for considering the **New York "Sounds of Summer" Festival** as your music performance tour in 2020. This will be the seventh annual concert for the NYSSF; its success is credited to fine musical ensembles that look for the best performance experience possible, and we strive to provide just that.

It is our mission to present young musicians with an experience that offers the opportunity for musical growth while creating lasting memories. To enhance this experience, the performance venue chosen for the festival is the prestigious Carnegie Hall. Admission into this festival is based on audition only and is limited to a maximum of four ensembles, each receiving 30 minutes of total stage time at Carnegie Hall. However, we encourage groups of varying abilities to apply as music education through live performance can be very beneficial to students at every stage of development.

Festival activities will include a public performance in the New York City area, a dinner dance/cruise along the Hudson River, and a group workshop with a World Projects Faculty member. The festival culminates with the ensemble performances in Carnegie Hall. One ensemble will also be selected to work with a composer on a new work that will be premiered at Carnegie Hall.

We hope you will join us as we celebrate musical excellence in the unique atmosphere of New York City. Please do not hesitate to contact us if we can be of further assistance in making this journey a reality for your group.

Sincerely,

Deborah Lee Gibbs
Chief Executive Officer
World Projects Corporation

Organization

World Projects Corporation located in Benicia, California, produces the New York “Sounds of Summer” Festival. Guest conductors, clinicians, and festival staff are all of the highest quality and reputation.

World Projects Mission Statement

With music education as our priority, World Projects provides musicians with life changing performance opportunities and cultural exchange through travel.

Festival Facilities

The New York “Sounds of Summer” Festival utilizes Carnegie Hall, a Midtown Manhattan Hotel (TBC), and a pops performance venue such as the Central Park Bandshell, Castle Clinton at Battery Park, or Brooklyn Bridge Park.

Festival Accommodations

Midtown Manhattan area hotel (TBC). Past hotels have included the Hilton New York, Park Central Hotel, and Sheraton NY Times Square Hotel.

Festival Concerts

Each participating group will have the opportunity to perform in Carnegie Hall. A maximum of four (4) ensembles will be invited to perform in the non-adjudicated evening concert; each group will be given 30 minutes of on-stage performance time. An afternoon session may be added once the evening performance schedule is filled. Each ensemble will receive a Festival Participation Plaque. All groups are asked to attend the full concert.

Full Ensemble Workshop

Each ensemble will receive one (1) 60-minute workshop from our guest educators using a private rehearsal format. Generally, these sessions use your group’s festival music. Ensembles not wishing to have a workshop may opt to use this time for rehearsal instead.

Public Concert Series

A public concert will be scheduled during the festival. In the past, concerts have been held outdoors at the Naumberg Bandshell in Central Park or at Brooklyn Bridge Park Pier 1, and indoors at the Liberty Science Center in New Jersey. The concert is informal, allowing ensembles to perform “lighter” music if desired. Each ensemble will have 30 minutes of performance time.

Limited Participation

In order to ensure a quality experience, the Festival is limited to a maximum of four instrumental groups; however, as noted above, an afternoon session may be added once the evening session is full. Ensembles that are denied entry based on available festival capacity in 2020 will be given first preference to attend the 2021 event (*unless an organization is denied entry based on its audition submission*). Once accepted, space for an ensemble can only be guaranteed upon receipt of the non-refundable deposit (*see Payment and Cancellation Schedule*).

Traveling Group Size

As the festival is limited to only 4 instrumental groups, each group will be required to have a minimum of 60 travelers. This minimum will be for the full traveling group and may be composed of performers, staff, and chaperones.

Ask for our World Premiere Application!

World Projects is thrilled to continue our New Music Initiative with composers from across the United States! One new work will be World Premiered at the New York "Sounds of Summer" Festival. The selected ensemble will have the honor of performing this World Premiere at Carnegie Hall. In addition, the composer will be at the festival to work with the group on the piece at a 90-minute rehearsal prior to their performance as well as attend the World Premiere. A separate application process is available to participating ensembles interested in this opportunity.

Social Events and Other Festival Activities

Ample time is provided in the Festival schedule to attend Broadway shows, enjoy sightseeing opportunities, and sample the cuisine of a variety of New York's many fine restaurants. Included in the Festival package is a dinner/dance cruise on the Hudson River.

Directors' Orientation Meeting

On the first evening, directors will meet (either individually or as a group) with the festival coordinator to receive festival materials, tickets, and t-shirts. This meeting also allows the director to meet the Festival staff and ask any last-minute Festival questions. If a director is unable to attend this meeting, please send a representative from the group.

Chaperones

World Projects requests all youth groups in attendance to have a **minimum of one adult chaperone for every ten to twelve students**. Chaperones must stay in the same hotel as the students, taking a participant package as part of the group arrangement. Please check your school's chaperone requirements as well.

Air Travel Arrangements

World Projects can arrange air travel to and from the New York "Sounds of Summer" Festival at competitive market rates. For round-trip air travel from your area to New York City, contact the World Projects office toll free at (800) 922-3976.

Additional Information

- ◆ Please note that walking to and from some festival venues will be required.
- ◆ The public performance (if planned for outdoors) is subject to cancellation in the event of inclement weather.

FESTIVAL FREQUENTLY ASKED QUESTIONS

1. Do chaperones / adults / non-performing travelers have to pay the same package costs as the performers?

Yes. In order to keep the cost of participating in the Festival affordable for as many students as possible, World Projects presents a blanket package cost. Creating a reduced rate for non-performers would increase the performer costs significantly, and thus we maintain one cost for all travelers.

2. Does the package cost cover any type of Travel or Medical Insurance?

For United States based groups, World Projects will purchase a Student Protection Plan (post departure) for all travelers. The director will be sent details about the plan. Groups traveling from outside the United States are not eligible for the Student Protection Plan, but are encouraged to purchase a similar post departure trip protection plan where possible. Trip Cancellation insurance is not included but can be arranged through World Projects upon request at an additional cost. Individuals may also receive quotes for Trip Cancellation insurance here:

www.world-projects.com/travel-insurance

3. Does World Projects have any type of Liability Insurance?

Yes. According to California State Law, World Projects is required to hold \$3 million Travel Agents Professional Liability Insurance Coverage. This is not a form of Travel, Medical, or Trip Cancellation Insurance for groups—rather a form of insurance coverage for World Projects.

Upon request, World Projects can list your school and/or school district as a 'co-insured'. A customized Certificate of Liability will then be produced showing your school and/or school district as a co-insured for the event you are attending. For further detailed information, World Projects can provide a copy of the Liability Policy upon request.

4. In the event that my child cannot attend the Festival after making payments, what is the refund policy?

World Projects has put in place a generous cancellation schedule, which can be found in this prospectus. This schedule outlines the percentage of payments made that are refundable and until when. All cancellation charges (if any apply) will be represented on your group's final invoice.

When cancellations occur, our first recommendation is that a replacement is found to take the cancelled traveler's spot on the tour. That way, all finances can be dealt with internally at the school or organization, and cancellation fees need not be assessed (unless air transportation is involved).

World Projects does, however, acknowledge that unforeseen circumstances do arise and will be reviewed on a case-by-case basis. In the event of a death in the family or illness/injury that prevents travel (as examples), World Projects will review what monies can be recovered from outside vendors (such as airlines, hotels, etc.). These vendors establish their own cancellation schedules, which World Projects must adhere to.

5. When do I need to submit rooming lists, repertoire, and other information about my group?

About six months out from the event (or after this date for late applicants), World Projects will send you a Director's Packet. Included in this packet are a number of forms we have created to make submitting necessary information to us as simple as possible. World Projects customizes each Director's Packet so only the forms that apply to your group are included. We ask that these forms be returned to us approximately 3-4 months out of an event, allowing us enough time to make all of the arrangements for your festival experience. We do understand that changes may occur after information is submitted and will try to accommodate changes when possible.

6. I want all of my students to be in quad rooms; however, after putting together my rooming list I've discovered I have an odd number of students left over. Can they stay in a triple, double, or single room at the quad rate?

World Projects has created four different packages based on the different rooming configurations. Unfortunately, in this type of forced rooming situation, World Projects cannot make concessions for the package rates. What we recommend is that the additional cost of these packages compared to the quad rate be prorated among the paying travelers. This generally works out to be a very small additional cost per person.

7. Can World Projects organize any sightseeing activities or meals for my group outside of the Festival package? Can we arrange sightseeing ourselves?

Yes. World Projects will supply you with an 'Optional Sightseeing Activities' form in the Director's Packet. This form will include a number of popular sightseeing activities in the Festival city and the additional costs. Once you have selected the activities you wish to enjoy, World Projects will arrange these tours for your group around your Festival commitments.

Should you wish to partake in a sightseeing activity not listed on the form, World Projects will research costs and present these to you. All additional costs for optional sightseeing activities will be represented on your group's final invoice.

You are also welcome to make your own sightseeing arrangements for your group or for individual travelers. However, World Projects does request that we are informed of the date and times of your group sightseeing activities to ensure that there are no conflicts with your Festival commitments.

8. Can World Projects arrange air travel for my group? If so, how does this work?

World Projects will be able to provide competitive quotes and prompt service to all of our clients requesting air costs.

World Projects will make all of the initial inquiries on your behalf, and should you decide to take any of the quotes offered, we will act as your representative on all aspects of your air transportation including the names list, equipment list, etc. World Projects will invoice you separately for airfare related costs.

9. Can you explain the invoicing process to me in further detail?

Upon acceptance, each performing group will be invoiced for the \$2,000 nonrefundable deposit which secures your position in the Festival.

The next payment request is a per person progress payment. World Projects will invoice you for the total number of travelers indicated in recent correspondence or on your Festival application form. This total number of travelers invoiced will include any applicable gratis travelers. The value amount of a gratis package (the cost of a double occupancy package) will be credited to your final invoice.

The Final Invoice will show a detailed breakdown of all costs associated with your tour (including the rooming summary, any optional sightseeing or meals, and any applicable cancellation charges). Your final balance due will be based on these calculations. Any additions to your tour after the final invoice has been created and sent will be billed on a Supplemental Invoice.

10. Can World Projects organize additional equipment for our group to use during the Festival (i.e. string bass, additional percussion, etc.)?

Depending on the availability of the instrument(s) requested, World Projects can arrange the rental of extra instruments not provided by the Festival at an additional cost. In some cases, there may be other ensembles that are also in need of the same additional equipment. In this instance, World Projects can often split the additional equipment cost between ensembles. Please contact the Festival Operations Manager with your requests as early as possible.

11. At what point can we expect a personalized itinerary for our time during the Festival?

The itinerary shown in the Prospectus acts as a guide for what you can expect during the event. After your progress payment has been received, World Projects will send you a draft individual schedule, which will give you a better idea of your group's movements during the event.

From this point on, the Festival Operations Manager will continue to update your group's schedule with new information such as exact performance, workshop, and meal times, venues, etc. Before you depart for the Festival, you will have a FINAL itinerary for your time during the event.
