World Projects Corporation is proud to present

THE 19TH ANNUAL
NEW YORK WIND BAND FESTIVAL
CARNEGIE HALL
FEBRUARY 28 – MARCH 4, 2021
(Dates to be Confirmed)

Dear Wind Ensemble Director:

Thank you for considering the New York Wind Band Festival as your music performance tour in 2021. This will be the nineteenth year for the festival; its success is credited to the fine musical ensembles that look for the best performance experience possible, and we strive to provide just that.

It is our mission to present young musicians with an experience that offers the opportunity for musical growth while creating lasting memories. To enhance this experience, the performance venue chosen for the festival is the prestigious Carnegie Hall. Admission into the festival is based on audition only and is limited to six high school groups and two showcase university wind ensembles.

The New York Wind Band Festival will feature an outstanding faculty of wind band professionals. Past faculty for this event has included composer Johan de Meij; Virginia Allen, formerly at The Juilliard School and The Curtis Institute of Music; Dr. James McRoy from Long Island University and William V. Johnson, Professor Emeritus from California Polytechnic State University. Mr. William V. Johnson will continue to serve as the 2021 Festival Artistic Director.

Festival activities will include group workshops with festival faculty, ensemble rehearsal exchanges, and a dinner/dance cruise along the Hudson River. The Festival culminates with ensemble performances at Carnegie Hall. One adjudicated ensemble will also be selected to work with a composer to develop a commissioned work that will be premiered at Carnegie Hall.

We hope you will join us as we celebrate musical excellence in the unique atmosphere of New York City. Please do not hesitate to contact us if we can be of further assistance in making this journey a reality for your group.

Sincerely,

Deborah Lee Gibbs

Adjudicated groups will be given 20 minutes of performance time on stage during the afternoon, and showcase groups will have 30 to 45 minutes of performance time on stage in the evening. Each adjudicated ensemble must submit three copies of original scores for each piece of music being evaluated. Our esteemed panel of educators will adjudicate your performance and provide recorded critiques which will be given to the director at the conclusion of the festival. All groups are asked to attend both concert sessions.

The selected adjudicated ensemble will have the opportunity to participate in the development of the commissioned work, as well as the honor of performing this World Premiere at Carnegie Hall. In addition, the composer will be at the festival to work with the group on the commissioned piece at a 90-minute rehearsal prior to their adjudicated performance as well as attend the World Premiere. A separate application process is available to participating adjudicated ensembles interested in this opportunity.

Full Ensemble Workshop
Each adjudicated ensemble will receive one (1) 60-minute workshop from our faculty using a private rehearsal format. Generally, these sessions use your group’s festival music. Showcase ensembles will have a one-hour rehearsal in lieu of the workshop.

Group Rehearsal Exchange

Limited Participation
In order to ensure a quality experience, the Festival is limited to a maximum of six high school instrumental groups and two university ensembles. Bands that are denied entry based on available festival capacity in 2021 will be given first preference to attend the 2022 event (unless an organization is denied entry based on its audition submission). Once accepted, space for a band can only be guaranteed upon receipt of the non-refundable deposit (see Payment and Cancellation Schedule).

FESTIVAL FREQUENTLY ASKED QUESTIONS

1) Do chaperones/adults/non-performing travelers have to pay the same package costs as the performers?

Yes. In order to keep the cost of participating in the Festival affordable for as many students as possible, World Projects presents a blanket package cost. Creating a reduced rate for non-performers would increase the performer costs significantly, and thus we maintain one cost for all travelers.

2) Does the package cost cover any type of Travel or Medical Insurance?

For United States based groups, World Projects will purchase a Student Protection Plan (post departure) for all travelers. The director will be sent details about the plan. Groups traveling from outside the United States are not eligible for the Student Protection Plan, but are encouraged to purchase a similar post departure trip protection plan where possible. Trip Cancellation insurance is not included. Individuals may also receive quotes for Trip Cancellation insurance here: http://www.world-projects.com/travel-insurance.

3) Does World Projects have any type of Liability Insurance?

Yes. According to California State Law, World Projects is required to hold $3 million Travel Agents Professional Liability Insurance Coverage. This is not a form of Travel, Medical, or Trip Cancellation Insurance for groups—rather a form of insurance coverage for World Projects.

Upon request, World Projects can list your school and/or school district as a ‘co-insured’. A customized Certificate of Liability will then be produced showing your school and/or school district as a co-insured for the event you are attending. For further detailed information, World Projects can provide a copy of the Liability Policy upon request.

4) In the event that my child cannot attend the Festival after making payments, what is the refund policy?

World Projects has put in place a generous cancellation schedule, which can be found in this prospectus. This schedule outlines the percentage of payments made that are refundable and until when. All cancellation charges (if any apply) will be represented on your group’s final invoice.

When cancellations occur, our first recommendation is that a replacement is found to take the cancelled traveler’s spot on the tour. That way, all finances can be dealt with internally at the school or organization, and cancellation fees need not be assessed (unless air transportation is involved).

World Projects does, however, acknowledge that unforeseen circumstances do arise and will be reviewed on a case-by-case basis. In the event of a death in the family or illness/injury that prevents travel (as examples), World Projects will review what monies can be recovered from outside vendors (such as airlines, hotels, etc.). These vendors establish their own cancellation schedules, which World Projects must adhere to.
5) When do I need to submit rooming lists, repertoire, and other information about my group?

About six months out from the event (or after this date for late applicants), World Projects will send you a Director’s Packet. Included in this packet are a number of forms we have created to make submitting necessary information to us as simple as possible. World Projects customizes each Director’s Packet so only the forms that apply to your group are included. We ask that these forms be returned to us approximately 3-4 months out of an event, allowing us enough time to make all of the arrangements for your festival experience. We do understand that changes may occur after information is submitted and will try to accommodate changes when possible.

6) I want all of my students to be in quad rooms; however, after putting together my rooming list I’ve discovered I have an odd number of students left over. Can they stay in a triple, double, or single room at the quad rate?

World Projects has created four different packages based on the different rooming configurations. Unfortunately, in this type of forced rooming situation, World Projects cannot make concessions for the package rates. What we recommend is that the additional cost of these packages compared to the quad rate be prorated among the paying travelers. This generally works out be a very small additional cost per person.

7) Can World Projects organize any sightseeing activities or meals for my group outside of the Festival package? Can we arrange sightseeing ourselves?

Yes. World Projects will supply you with an ‘Optional Sightseeing Activities’ form in the Director’s Packet. This form will include a number of popular sightseeing activities in the Festival city and the additional costs. Once you have selected the activities you wish to enjoy, World Projects will arrange these tours for your group around your Festival commitments.

Should you wish to partake in a sightseeing activity not listed on the form, World Projects will research costs and present these to you. All additional costs for optional sightseeing activities will be represented on your group’s final invoice.

You are also welcome to make your own sightseeing arrangements for your group or for individual travelers. However, World Projects does request that we are informed of the date and times of your group sightseeing activities to ensure that there are no conflicts with your Festival commitments.

8) Can World Projects arrange air travel for my group? If so, how does this work?

World Projects will be able to provide competitive quotes and prompt service to all of our clients requesting air costs.

World Projects will make all of the initial inquiries on your behalf, and should you decide to take any of the quotes offered, we will act as your representative on all aspects of your air transportation including the names list, equipment list, etc.
9) Can you explain the invoicing process to me in further detail?

Upon acceptance, each performing group will be invoiced for the $2,000 nonrefundable deposit which secures your position in the Festival.

The next payment request is a per person progress payment. World Projects will invoice you for the total number of travelers indicated in recent correspondence or on your Festival application form. This total number of travelers invoiced will include any applicable gratis travelers. The value amount of a gratis package (the cost of a double occupancy package) will be credited to your final invoice.

The Final Invoice will show a detailed breakdown of all costs associated with your tour (including the rooming summary, any optional sightseeing or meals, and any applicable cancellation charges). Your final balance due will be based on these calculations. Any additions to your tour after the final invoice has been created and sent will be billed on a Supplemental Invoice.

10) Can World Projects organize additional equipment for our group to use during the Festival (i.e. harp, additional percussion, etc.)?

Depending on the availability of the instrument(s) requested, World Projects can arrange the rental of extra instruments not provided by the Festival at an additional cost. In some cases, there may be other ensembles that are also in need of the same additional equipment. In this instance, World Projects can often split the additional equipment cost between ensembles. Please contact the Festival Manager with your requests as early as possible.

11) At what point can we expect a personalized itinerary for our time during the Festival?

The itinerary shown in the prospectus acts as a guide for what you can expect during the event. After your progress payment has been received, World Projects will send you a draft individual schedule, which will give you a better idea of your group’s movements during the event.

From this point on, the Festival Manager will continue to update your group’s schedule with new information such as exact performance, workshop, and meal times, venues, etc. Before you depart for the festival, you will have a final itinerary for your time during the event.
