*World Projects Corporation is proud to present*

## **The 36th Annual PACIFIC BASIN MUSIC FESTIVAL *INSTRUMENTAL Prospectus* June 13 – 17, 2021**

Dear Music Educators and Group Administrators:

*Aloha and Mahalo* to you for considering the PACIFIC BASIN MUSIC FESTIVAL as your music performance tour in 2021! This will be the festival's 36<sup>th</sup> anniversary, which over the years has earned the reputation of being the finest educational music festival in the Pacific Islands.

The Pacific Basin Music Festival is an international event, bringing together the most talented junior high, high school, community, and college-level bands, orchestras, and choirs from countries of the Pacific Basin and beyond. Festival activities include adjudicated and outdoor group performances, a full ensemble workshop, an exchange rehearsal with another festival ensemble, and a Welcome Luau Dinner. One adjudicated ensemble will also be selected to work with the festival's composer-in-residence to develop a commissioned work that will be premiered at a local Waikiki venue. With groups attending from countries such as Australia, Canada, Germany, Japan, New Zealand, Singapore, South Korea, Taiwan, Tonga, the United States, and the territory of Guam, this is a unique opportunity for international exchange through social functions and music. Students and directors will have access to outstanding international educators, conductors, and clinicians in a positive and meaningful environment.

Thanks to the vision of its founder Mr. Robert Lutt, who was a highly-respected music educator in his own right, this innovative and much needed Festival became a reality in 1985. And today, it continues to foster the same spirit of cooperation and communication through music education, which was Mr. Lutt's goal 36 years ago.

We invite you to discover the "Aloha Spirit" as we continue this gathering of peace and understanding through the language of music. Please contact any of our offices worldwide if we can be of further assistance in making this journey a reality for *your* group!

Aloha,

Deborah Lee Gibbs

## **Organization**

World Projects Corporation, located in Benicia, California, founded the PACIFIC BASIN MUSIC FESTIVAL in 1985. Ms. Deborah Lee Gibbs is Chief Executive Officer and sole owner of the company.

## **World Projects Mission Statement**

With music education as our priority, World Projects provides musicians with life-changing performance opportunities and cultural exchange through travel.

## **Festival Facilities**

The PACIFIC BASIN MUSIC FESTIVAL utilizes a number of facilities in Honolulu, including the ‘Alohilani Resort and the Hawaii Theatre. The outdoor performance will be held at Ala Moana Shopping Center’s “Center Stage”, the Aloha Tower Marketplace Atrium, Kapiolani Bandstand or similar.

## **Festival Adjudicated Concerts**

Each ensemble at the 2021 PACIFIC BASIN MUSIC FESTIVAL will be allowed a maximum of 20 minutes of performance time at the Festival Adjudicated Concerts. Our esteemed panel of adjudicators will critique your performance and offer written and recorded comments, which are given to the director at the conclusion of the concert. **Each group must submit three copies of original scores for each piece of music being adjudicated.**

## **Festival Awards**

Based on the performance level as perceived by the adjudication panel, each group will receive a Gold, Silver, or Bronze award. There is no limit to the number of Gold, Silver, or Bronze awards.

## **Command Performance**

Following the adjudicated concerts, our faculty will select one instrumental group and one choir to perform at the Festival Command Performance Concert held in a local venue the following evening. The ensembles selected for this honor best represent the spirit, enthusiasm, and camaraderie of the Festival.

## **Full Ensemble Workshops**

Each ensemble will receive a one-hour coaching session from a guest conductor at PBMF, using a private rehearsal format. Generally, this session will use the group’s festival music during the workshop. Directors will have ample opportunity to discuss the content of these sessions with the clinician prior to the workshop.

## **Group Exchange Rehearsal**

Each participating instrumental group will have the opportunity to experience a musical and cultural Group Exchange Rehearsal with a band or orchestra from a different region. In the past, these exchange rehearsals had been arranged on a case-by-case basis only but have proven so enriching that they are now part of each group’s festival schedule. Groups will be able to play each other’s music in an informal rehearsal session lasting 90 minutes.

## **Outdoor Concert Series**

Every group participating in PBMF will have the opportunity to perform as part of the festival’s Outdoor Concert Series. Past venues have included Ala Moana Shopping Center’s “Center Stage”, the Aloha Tower Marketplace Atrium, and the Kapiolani Bandstand. This outdoor concert is informal, allowing ensembles to perform “lighter” music if desired. Each ensemble will be given a maximum performance time of 45 minutes for this concert. Groups with multiple ensembles will share a concert at their outdoor performance.

## Ask for our World Premiere Application!

World Projects is thrilled to continue our New Music Initiative with composers from across the United States! Continuing in 2021, one commissioned piece will be World Premiered at the Pacific Basin Music Festival. The selected adjudicated ensemble will have the opportunity to participate in the development of the commissioned work, as well as the honor of performing this World Premiere at a local Waikiki venue. In addition, the composer will be at the festival to work with the group on the commissioned piece at a 90-minute rehearsal prior to their adjudicated performance as well as attend the World Premiere. A separate application process is available to participating adjudicated ensembles interested in this opportunity.

## Limited Participation

In order to ensure a quality experience, the festival is generally limited to a maximum of ten (10) participating instrumental groups. Groups that are denied entry based on available festival capacity will be given first priority in the following year (unless an organization is denied based on its music submission). Once accepted, space for a group can only be guaranteed upon receipt of the non-refundable deposit (see *Payment and Cancellation Schedule*).

## Jazz Bands

Although jazz bands cannot be scheduled for adjudicated festival performances, these students are welcome to accompany the group and participate in all other educational and cultural activities during Festival Week. On a case-by-case basis, these adjunct groups may have the opportunity to perform as part of the festival's Outdoor Concert Series.

## Length of Stay

To ensure that students receive maximum educational benefit from the festival, all participating groups are asked to arrive in Honolulu in time for the Festival Welcome Luau Dinner (Day One) and remain until after the Command Performance (Day Four). Extra days in Honolulu can be arranged for your group either before or after the main festival dates.

## Chaperones

World Projects requests all youth groups in attendance have approximately **one adult chaperone for every eight to ten students**. Chaperones must stay in the same hotel as students, taking one of the participant packages offered as part of the group tour. Please check your school's chaperone requirements as well.

## Social Events

Festival groups will attend a traditional Hawaiian Luau, where they will enjoy dinner with other festival participants. Students will receive random seating assignments, allowing them to meet students from other schools and nations.

## Meal Arrangements

The Pacific Basin Music Festival includes a Welcome Luau Dinner. Additional group meals can be arranged at a variety of restaurants around Waikiki. Some of the hotels also have options for booking either group breakfasts or group dinners. Please contact your World Projects representative for more information on what options are available.

## **Air Travel Arrangements**

Air travel to and from the Pacific Basin Music Festival can be arranged by World Projects at competitive market rates. For round-trip air travel from your area to Honolulu, contact the World Projects Headquarters office toll free (800) 922-3976 or from out of the US +1 707 556 5885.

## **Additional Information**

- ◆ The scheduled Faculty and Composer-in-Residence will be announced in September of 2020 (subject to change).
- ◆ Please note that walking to and from festival venues may be required.
- ◆ The weather in Honolulu during June is normally quite warm with highs around 85° F and low temperatures around 72° F. There is a good chance of passing rain showers, but usually these pass quickly and are quite brief.

## **Festival Application Procedure**

Send a completed application form (*attached*) and a recent audio or video recording that is representative of your performance level to: Pacific Basin Music Festival, 110 East D Street, Suite K, Benicia, CA 94510 USA. An ensemble may be accepted into the festival after the application deadline with the approval of the Festival Director.

## **Notes Regarding Accommodations**

All fees are in U.S. dollars. Groups will be booked into their preferred hotel on a “first come — first served” basis. We will be happy to discuss your hotel options with you, based on your particular needs, and give our recommendations in order to reserve space for your group. World Projects cannot guarantee that the hotel can “block” your group into one specific floor or area due to the capacity of the hotel at Festival time. However, the hotel will make every effort to keep your group’s rooms in close proximity to one another.

All hotel accommodations are based on existing hotel bedding. The above costs do not include rollaway beds. For quad occupancy, there are two (2) double beds and four people per room; for triple occupancy, there are two (2) double beds and three people per room; for double occupancy, there are two (2) double beds or one (1) queen bed and two people per room; for singles, there are two (2) double beds or one (1) queen bed and one person per room. One rollaway bed per room is allowed at extra cost (approx. US \$40-\$50 + tax per bed per night). Please note that hotel policy allows a maximum of 4 people to stay in each room.

## FESTIVAL FREQUENTLY ASKED QUESTIONS

### **1. Do chaperones / adults / non-performing travelers have to pay the same package costs as the performers?**

Yes. In order to keep the cost of participating in the Festival affordable for as many students as possible, World Projects presents a blanket package cost. Creating a reduced rate for non-performers would increase the performer costs significantly, and thus we maintain one cost for all travelers.

### **2. Does the package cost cover any type of Travel or Medical Insurance?**

For United States based groups, World Projects will purchase a Student Protection Plan (post departure) for all travelers. The director will be sent details about the plan. Groups traveling from outside the United States are not eligible for the Student Protection Plan, but are encouraged to purchase a similar post departure trip protection plan where possible. Trip Cancellation insurance is not included but can be arranged through World Projects upon request at an additional cost. Individuals may also receive quotes for Trip Cancellation insurance here: [www.world-projects.com/travel-insurance](http://www.world-projects.com/travel-insurance)

### **3. Does World Projects have any type of Liability Insurance?**

Yes. According to California State Law, World Projects is required to hold \$3 million Travel Agents Professional Liability Insurance Coverage. This is not a form of Travel, Medical, or Trip Cancellation Insurance for groups—rather a form of insurance coverage for World Projects.

Upon request, World Projects can list your school and/or school district as a ‘co-insured’. A customized Certificate of Liability will then be produced showing your school and/or school district as a co-insured for the event you are attending. For further detailed information, World Projects can provide a copy of the Liability Policy upon request.

### **4. In the event that my child cannot attend the Festival after making payments, what is the refund policy?**

World Projects has put in place a generous cancellation schedule, which can be found in this Prospectus. This schedule outlines the percentage of payments made that are refundable and until when. All cancellation charges (if any apply) will be represented on your group’s final invoice.

When cancellations occur, our first recommendation is that a replacement is found to take the cancelled traveler’s spot on the tour. That way, all finances can be dealt with internally at the school or organization, and cancellation fees need not be assessed (unless air transportation is involved).

World Projects does, however, acknowledge that unforeseen circumstances do arise and will be reviewed on a case-by-case basis. In the event of a death in the family or illness/injury that prevents travel (as examples), World Projects will review what monies can be recovered from outside vendors (such as airlines, hotels, etc.). These vendors establish their own cancellation schedules, which World Projects must adhere to.

## **5. When do I need to submit rooming lists, repertoire, and other information about my group?**

About six months out from the event (or after this date for late applicants), World Projects will send you a Director's Packet. Included in this packet are a number of forms we have created to make submitting necessary information to us as simple as possible. World Projects customizes each Director's Packet so only the forms that apply to your group are included. We ask that these forms be returned to us approximately 3-4 months out of an event, allowing us enough time to make all of the arrangements for your festival experience. We do understand that changes may occur after information is submitted and will try to accommodate changes when possible.

## **6. I want all of my students to be in quad rooms; however, after putting together my rooming list I've discovered I have an odd number of students left over. Can they stay in a triple, double, or single room at the quad rate?**

World Projects has created four different packages based on the different rooming configurations. Unfortunately, in this type of forced rooming situation, World Projects cannot make concessions for the package rates. What we recommend is that the additional cost of these packages compared to the quad rate be prorated among the paying travelers. This generally works out to be a very small additional cost per person.

## **7. Can World Projects organize any sightseeing activities or meals for my group outside of the Festival Package? Can we arrange sightseeing ourselves?**

Yes. World Projects will supply you with an 'Optional Sightseeing Activities' form in the Director's Packet. This form will include a number of popular sightseeing activities in the Festival city and the additional costs. Once you have selected the activities you wish to enjoy, World Projects will arrange these tours for your group around your Festival commitments.

Should you wish to partake in a sightseeing activity not listed on the form, World Projects will research costs and present these to you. All additional costs for optional sightseeing activities will be represented on your group's final invoice.

You are also welcome to make your own sightseeing arrangements for your group or for individual travelers. However, World Projects does request that we are informed of the date and times of your group sightseeing activities to ensure that there are no conflicts with your Festival commitments.

## **8. Can World Projects arrange air travel for my group? If so, how does this work?**

World Projects will be able to provide competitive quotes and prompt service to all of our clients requesting air costs.

World Projects will make all of the initial inquiries on your behalf, and should you decide to take any of the quotes offered, we will act as your representative on all aspects of your air transportation including the names list, equipment list, etc. World Projects will invoice you separately for airfare related costs.

**9. Can you explain the invoicing process to me in further detail?**

Upon acceptance, each performing group will be invoiced for the \$2,000 nonrefundable deposit which secures your position in the Festival.

The next payment request is a per person progress payment. World Projects will invoice you for the total number of travelers indicated in recent correspondence or on your Festival application form. This total number of travelers invoiced will include any applicable gratis travelers. The value amount of a gratis package (the cost of a double occupancy package) will be credited to your final invoice.

The Final Invoice will show a detailed breakdown of all costs associated with your tour (including the rooming summary, any optional sightseeing or meals, and any applicable cancellation charges). Your final balance due will be based on these calculations. Any additions to your tour after the final invoice has been created and sent will be billed on a Supplemental Invoice.

**10. Can World Projects organize additional equipment for our group to use during the Festival (i.e. string bass, additional percussion, etc.)?**

Depending on the availability of the instrument(s) requested, World Projects can arrange the rental of extra instruments not provided by the Festival at an additional cost. In some cases, there may be other ensembles that are also in need of the same additional equipment. In this instance, World Projects can often split the additional equipment cost between ensembles. Please contact the Festival Operations Manager with your requests as early as possible.

**11. At what point can we expect a personalized itinerary for our time during the Festival?**

The itinerary shown in the Prospectus acts as a guide for what you can expect during the event. After your progress payment has been received, World Projects will send you a draft individual schedule, which will give you a better idea of your group's movements during the event.

From this point on, the Festival Operations Manager will continue to update your group's schedule with new information such as exact performance, workshop, and meal times, venues, etc. Before you depart for the Festival, you will have a FINAL itinerary for your time during the event.
